

**HAZARDOUS MATERIALS
(Asbestos Control)**

The Clinton School District #124 will implement and maintain procedures necessary to comply with the Asbestos Hazard Emergency Response Act of 1986 (AHERA) by adhering to the following guidelines:

1. Use specifically accredited/certified persons to conduct inspections on all school buildings for asbestos-containing material.
2. Take appropriate action to control the release of asbestos fibers, upon completion of inspection.
3. Describe corrective steps and long-range maintenance in a management plan, to be made available to all concerned persons and filed with the appropriate state agencies.
4. Post warning(s) on all areas containing asbestos, and send a written notice to parents and employees, apprising them of the conditions.

Any further information concerning the school district's procedures for asbestos control can be found in the school district offices.
