Re: \_\_\_\_\_ (Student's Name)

Date: \_\_\_\_\_

Dear Parent(s)/Guardian(s):

After investigating the incident, I have decided that \_\_\_\_\_  
(Student's Name) should be suspended for \_\_\_\_\_ school days, in addition to the ten (10) days he or she has already been suspended, for a total of \_\_\_\_\_ school days. Your student will be able to return to school on \_\_\_\_\_ (date). However, if a scheduled school day is cancelled (snow day, etc.), the suspension automatically extends to the next day school is in session. While suspended, students are not permitted to participate in school activities or events. Further, your student is not allowed to be on school property unless prior permission is given by the superintendent or designee.

*Note: The following portion of this form may not be applicable to all students. Please remove the following language if the suspension was not for one of the reasons listed in the paragraph below.*

Because your student was suspended for a criminal act listed in § 160.261, RSMo., an act of violence or drug-related activity defined by Board policy as a serious violation of school discipline, your student is not allowed while under suspension to be within 1,000 feet of ANY public school in the district unless one (1) of the following conditions exists:

1. Your student is under the direct supervision of a parent, legal guardian or custodian.
2. Your student is under the direct supervision of another adult designated by the student's parent, legal guardian or custodian, in advance, in writing, to the student's principal.
3. Your student is attending an alternative school that is located within 1,000 feet of a public school in the school district.

Critical

4. Your student resides within 1,000 feet of a public school in the district and is on the property of his or her residence.

Failure to abide by these restrictions could result in an additional suspension or expulsion of your student.

Because the suspension is greater than ten (10) days, you may request a hearing before the Board of Education regarding this matter. To request a hearing, contact me by telephone at \_\_\_\_\_ (phone number), or by mail at the following address: \_\_\_\_\_ (address). You must request this hearing no later than \_\_\_\_\_ (date).

A readmission conference may be required prior to your student returning to school. If so, you will be informed of the time and place of the conference.

Please feel free to contact me if you would like to discuss this matter further.

Sincerely,

\_\_\_\_\_  
Signature of Superintendent
