*(Model Notification of Rights under the Protection of Pupil Rights Amendment)*

The Protection of Pupil Rights Amendment (PPRA) affords parents certain rights pertaining to the district's collection and use of information for marketing purposes as well as how the district conducts surveys and certain physical exams. These include the right to:

1. Give consent before students are required to submit to a survey that concerns one (1) or more of the following protected areas (“protected information survey”) if the survey is funded in whole or in part by a program of the U.S. Department of Education:

  - b. Any nonemergency, invasive physical exam or screening required as a condition of attendance, administered by the school or its agent and not necessary to protect the immediate health and safety of a student, or any physical exam or screening permitted or required under state law, except for hearing, vision or scoliosis screenings.

from students for marketing, selling or otherwise distributing the information to others.

3. Inspect, upon request and before administration or use:
  - a. Protected information surveys of students.
  - b. Instruments used to collect personal information from students for any of the above marketing, sales or other distribution purposes.

These rights transfer from the parents to a student who is 18 years old or an emancipated minor.

The Clinton School District #124 has adopted policies, in consultation with parents, regarding these rights and has made arrangements to protect the privacy of student records. The district will directly notify parents of students who are scheduled to participate in the specific activities or surveys noted below and will provide an opportunity for the parent to opt his or her child out of participation in the specific activity or survey. The district will make this notification to parents at the beginning of the school year if the district has identified the specific or approximate dates of the activities or surveys at that time. Parents will also be provided notification of surveys and activities scheduled after the start of the school year.

If you wish to review any survey instrument or instructional material used in connection with any protected information or marketing survey, please contact the following school official:
